Sub: Announcement of the 43rd Post Graduate Diploma Course in Advanced Wildlife Management for Forest/Wildlife Officers from 01.09.2022 to 30.06.2023 – reg.

Sir,

The Wildlife Institute of India, an Autonomous Institution under the Ministry of Environment, Forest and Climate Change, Government of India, has been conducting Post-Graduate Diploma Course in Advanced Wildlife Management for in-service Forest/Wildlife Officers who are engaged in managing natural forest resources, particularly wildlife and protected areas. The course is designed to enhance the capacity of forest officers to effectively manage Protected Areas (PAs), wildlife-related issues outside PAs and conservation of endangered species. The course would keep abreast the participants in modern tools and techniques of Wildlife Management, including the preparation of scientific management plans for Protected Areas and forested landscapes.

The next ten months Post-Graduate Diploma Course in Advanced Wildlife Management is scheduled to commence on 01.09.2022 at Wildlife Institute of India, Dehradun. This Institute would like to get the nomination of participants for the said course from your State. The training cost for the above course is Rs.12.10 lakhs, and this is to be borne by the concerned State Governments/Sponsoring Agencies. The Training Cost covers expenses of tuition, accidental insurance, field gear/equipment, stationery, books, study material, boarding & lodging charges, field exercise field tours, including internal tours etc. The medical reimbursements of concerned Officer Trainees during the course will be borne by their concerned State Govt./Sponsoring Agency.

It is also informed that during the period of the course, the Institute will also organize an overseas study tour in addition to field tours within the country. Therefore, the applicant must be in possession of a Passport with a validity period up to December 2023.

Further, I am enclosing the information brochure of the forthcoming 43rd Post-Graduate Diploma in Advanced Wildlife Management which highlights its salient features. You may also like to
